23 March 1977

MEMORANDUM FOR: Deputy Director of Central Intelligence
FROM: John F. Blake
Deputy Director for Administration

Hank:

1. The attached 23-point questionnaire represents issues that may well be brought up by the Office of Communications group you are going to visit on Friday, 25 March. To a considerable degree, unfortunately, they were not matters anybody considered or really wanted to hear when the issues were being discussed.

2. A copy of this questionnaire has been given to [redacted] and Dave Brandwein who would have to answer most of the questions. It might make sense if you, Bill [redacted] and Dave Brandwein rode down together and had a discuss of these matters en route.
